The Good Gummies: Indulgence with a nutritional plus

The Good Gummies is a new BIOGENA product line that packs sensible micronutrient combinations into vegan, sugar free gummy bears. The high-quality gummy bears not only look good enough to eat, they also taste delicious and provide added nutritional value. And all without compromising on the usual radical BIOGENA quality.

Are you ready for a smart tête-à-tête of taste and tradition?

Only The Good Gummies Black Cumin Edition offers the exciting combination of the taste of America's cult beverage and the "gold of the pharaohs". The tingling tête-à-tête of delicious cola flavor with high-quality black cumin oil gives the vegan and sugar-free gummy bears not only a unique taste, but also nutritionally that certain something.

The Good Gummies Black Cumin Edition – what is it?

Whether in the heyday of spring or on your favourite feel-good couch in winter: The Good Gummies Black Cumin Edition are your reliable snacking partner in every season**. With the daily dose of 3 bears you get to enjoy 960 mg of premium black cumin oil (= 320 mg per bear). The aromatic black cumin oil brings a very special touch not only in terms of taste but also in terms of content. In cold-pressed form, black cumin oil captivates with a fine mixture of unsaturated fatty acids, plant-specific ingredients and valuable essential oils. Thanks to the gentle manufacturing process, the inner values of the oil remain largely untouched.
